'WATCH THIS SPACE'

The latest topic in The Farmers Room has all been about Space & Aliens. We read 'Aliens Love Underpants' and that got the children very interested in building their own huge rocket, where they jetted off to the moon in to explore.

Farmers Children also looked at the community we live in, and they found various landmarks around the nursery/on their way to nursery. They made a board all about what they found along the way.

The children asked for the story area to be moved, and made a Farmers Tree with all their pictures on it. The area is very comfortable with new cushions and soft toys.

HOLIDAYS

Little Lambs have been focussing on holidays and days out for their topics. They set up a Smithills Farm in their room to build upon their live experiences from home.

The Lambs have been milking their 'cow' and looking at the different animals from the farm.

They focussed on sensory play and have recently made treasure baskets which enhance the sensory area with gel pads, black & white mats and sensory smelly socks!

Thank you so much for your support for those who took part in the Mad Hatter's Tea Party. We raised £10 for the NSPCC.

Staff News

Welcome to our newest member of staff, Salma who is based in the Farmers Room.
