CONSTRUCTION & BAKING TOPICS

The Farmers have spent 2 weeks learning about construction. The children enjoyed taking on the role of a builder and exploring with lots of different construction related activities.

They especially loved making their own Lego cupcakes which was their idea and they enjoyed seeing the Lego bricks come to life in the form of a cake!

The Farmers have also been very busy baking! We recently got to make our own quiche which was served for tea.

The children loved using all their senses to explore the different smells and textures.

Community Spirit

We also took Sir Alan (our tortoise) on tour to Half Acre house to visit the ladies and gentlemen. We had a lovely afternoon meeting new faces and hearing all about other tortoises that live with the ladies. We plan to go there at the end of this month to do more exciting activities.
