### Ducklings Topic was Transport

In Ducklings we have really enjoyed getting to know the children, supporting existing children settling in their room and welcoming new children to Fisherfield, learning what they may get up to at the weekend, and their likes & dislikes.

The children particularly enjoyed looking at transport, including playing with cars and trains, so we have talked about how they get to nursery and what they may see on their way.

Ducklings also really enjoyed all the Diwali activities we celebrating by using lots of colour in activities as well as food tasting and exploring colour sensory trays.

### Little Lambs Topics were Colour/Textures & Sensory Play

We have found new ways to explore, combining different colours using balls rolling them through paint seeing what happens.

For Diwali the children enjoyed dressing up in tradition clothes and were really good with supporting themselves dressing and undressing.

We continued to explore colour through splatter painting, sensory bottles with glitter and chalk.

### Parent's Sensory Session in Lambs

Thank you to those who attended the Sensory Play Session in Lambs with Lauren. It was lovely to show some of the sensory play ideas we have and use in the setting to support babies overall development.

We hope you enjoyed it and look forward to offering this again soon.

### Farmers Topic 'All About Me'

Farmers have been learning lots about themselves and the new children around them, concentrating on 'All About Me'. They enjoyed counting how many bricks fit in their foot print, measuring themselves and making tally charts of favourite places to eat, eye colour and feelings.

Farmers have also enjoyed regular walks to the library and Half Acre House, an Elderly Residential Home. Ask a staff member for more details. See Farmers Room for more photos.

### Grandparents' Morning in Farmers

What an amazing morning we had in Farmers. On Friday 6<sup>th</sup> October we held a grandparent/carer morning, inviting families in to spend an hour playing with the children in their room.

They all got involved with messy play, posing for photos, building, outdoor play and many more activities.

Grandparents later enjoyed a cup of tea or coffee with a slice of Tracy's yummy homemade cakes in the staff room.

Thank you to all those who came – look out for the next date. TBC January 2018.
