Little Lambs Topic – Looking After Others

The Lambs children have been learning about looking after others and especially liked the baby clinic role-play.

We have also been on lots of outings on the nursery bus.

The staff team recently attended training on ‘Schemas of Play’. Schemas are patterns of play children follow in order to explore and develop ideas.

We will be holding a Parent Workshop on 20th March @ 3.30pm to introduce the different ways in which children play using schemas. We are currently introducing ‘schema home bags’ which will be loaned to parents to explore at home.

Farmers/ Ducks Topic – Looking After Our Bodies

The Farmers and Ducklings have enjoyed learning about the new 100 calorie snack scheme and how we can look after our bodies.

We went on a visit to Tesco to find healthy snacks which was lots of fun.

Farmers

The Farmers and Holiday Club children loved visiting running wild play centre in Middleton.

Staff News

We would like to introduce our new cook Gail O’Rourke, and welcome her to the team.

Question of the Month? Do you know what ‘Schemas of Learning’ means? If not please see a member of staff for more information.
