

HARGATE AVENUE NEWSLETTER

July to August 2018

LITTLE LAMBS

The children have been learning about different types of animals recently.

Each week we have focused on the different species and participated in lots of different activities to support their learning, such as making animal rock caves, role-playing in the 'Farm Barn', baking animal biscuits and we had an underwater sensory experience day!

FARMERS

Farmers children's recent topic was also on animals. They learnt all about the different species starting with Dinosaurs. Stimulating activities such as making fossils, doing volcanic experiments, dining in the Dino Café and making icy Dino eggs gave the children plenty to talk about.

The children had a special visitor too as Ayaan's mum came in to cook Chapatti's for Eid. They helped make the mixture and saw the special pan used to fry it in.

School Leavers

Some of our Farmers children will be leaving in July to go on to school. We will really miss them and wish them the happiest of times as they start school.

Leavers week is from 9th to 13th July—please see details of events happening that week on iConnect, which will also be posted on the front door.

Norden Carnival

The weather was dry for the carnival and a good turn out from local businesses helped the day go well. So well in fact that we WON best float! Thank you to parents/carers and children who turned up to cheer us on and to The Mayor for presenting us with our trophy.

Summer time!

Please can you provide a sunhat for your child and bring 'new sun cream' as most have a 12 month expiration date.
