

Little Lambs

The Little Lambs have enjoyed learning about our community and the people who help us. Martin and Rachel, our local police officers, came to visit us! The officers brought the Police van with them and the children had lots of fun turning on the lights and trying on their police hats. We love involving the local community in our play and would like to welcome parents to attend nursery to share their experiences.

Farmers

The Farmers have started taking part in Forest School sessions. Forest School involves using the outdoors to aid children's development in all areas. The manager at our sister site, Fisherfield at Bagslate Moor, visited us with their Forest School group who showed us all the different activities they get to do. We have created a leaflet for all parents to read which explains what Forest School is and the benefits on children's learning and development. The leaflets are available in the nursery entrance. A group of our children have already enjoyed making a den in our woodlands area, where they helped to thread, tie and hold the ropes. We are really looking forward to all our new adventures!
