

Little Lambs

The children have enjoyed our recent sensory play topics. We have been learning to explore using our hand and feet. Dougie's Mum, Michelle, visited us and led a parent workshop on sensory play! Our next sensory class will be on Thursday 1st November at 9:30am.

Ducklings

We are currently developing 'loose parts play' in our outdoor area. Using loose parts such as: tyres and planks of woods, enables the children to learn about these everyday items and how to manage risks in their play. The children have appreciated challenging themselves through the creation of their own obstacle courses. If you are able to donate wood, tyres or cable reels we would greatly appreciate it. Thank you to Imogen and Georgia's Dad, Gareth, for his kind donations.

Little Farmers

The Farmers children have recently been learning about their local community. To support this, we have been on trips to the Post Office and to the Garden Center where we bought some fish! The children were thrilled to explore the wider world and learn about different occupations through their trips. If you would like to visit us to speak with the children about your job, please speak to a member of the Farmer's team.
