

Little Lambs

The Little Lambs have enjoyed taking part in our recent topic 'Autumn'. Experiences involved exploring the different colours, textures and smells associated with the season. The children have created a Halloween sensory story basket that is based on the book 'BOO' and have also enjoyed taking part in nature play sessions. During these sessions they created their very own mythical stick creatures!

Little Farmers

The Little Farmers have enjoyed being on a learning journey that has taken them from: exploring the changing season right through to learning about recycling. The Farmers enjoyed upcycling unwanted waste and materials to create their own 'Fisherfield Clothing Line'. At the end of the session, they modelled their clothes on the catwalk! The Little Farmers have also took great delight in discovering the changes that Autumn brings through our Nature play sessions and have collected natural objects and made wreaths and ice art!

Loose Parts Update

We would like to say a big "thank-you" to all parents who have contributed towards developing 'loose parts play area' within our nursery, by bringing in unwanted items from home. To find out more information on how loose parts play is beneficial to your child's learning and development. Please see our new board in the entrance area or speak to a member of the staff team.

Winter Warmer!

As the weather is now becoming colder, please provide: wellies, hats, gloves and scarves along with a warm coat so that we can continue to enjoy playing outside comfortably!

Upcoming Events
