

Little Lambs

Our Little Lambs have been busy exploring their sensory impulses. We created new sensory baskets and scheduled a sensory morning in the room. During this experience the children were able to explore different textures around the room, which they loved! Sensory experiences are important for early development as they help to strengthen neural pathways.

Ducklings

Our Duckling's children have been exploring the wonder of colour! To support this, we have had different colour theme dress up days. This has supported children's sense of self, as they spoke about their favourite colours therefore developing likes and dislikes. This fits in well with the topic of 'Change in Season', as we have been exploring the changing colour of the leaves.

Little Farmers

The Farmer's children have been learning 'All About Me!'. The children have been sharing photos from home of their families and pets to share with their friends. Following on from this we have been exploring the concept of change, as we discussed how we have grown, how the season has changed and also the growth and change in the natural world around us. We even made our own apple crumble using the apples from our very own tree!

Upcoming Events

Friday 11th November 2018

4:00-4:45pm

Bonfire Stay and Play Sparkler Safety Theme

Tuesday 13th November 2018

2:00-3:00pm

Curious Learners

The children have been enjoying exploring our new curiosity boxes! These are a great way to extend your children's learning as they explore items they may not have seen before using all their senses. Please feel free to explore the boxes yourself, located near the entrance and office.

Party time!

If you would like to book a party at Running Wild, log onto www.runningwildparties.co.uk where you can check availability and book online. Alternatively ring 0161 653 1996 and speak to Paula.
