

Little Lambs

The staff have been focusing on milestone led planning in the Little Lambs room, showing a particular interest to physical development as we have a lot of children learning to crawl and walk. Staff have been providing the children with a range of opportunities to use walkers, climb with soft play and explore dens and tunnels to support their physical development and gain more confidence. We have also created a den under the worktop unit as many of the children enjoyed sitting underneath here. We have also added materials and heuristic baskets to continue supporting their interests.

ParentZone - please continue sharing your photographs from home with us to support your child's learning and development!

Ducklings

Ducks have taken a keen interest in their home corner recently and this has become a favourite area to explore within the room. Staff have built on this by enhancing it with new resources and collecting different packaging and food products for children to explore. Staff have been following children's interests from parents at home and have been baking regularly, look at the ducks baking file while you're in the room!

The children had lots of fun celebrating Chinese New Year and making their own spring rolls to take home and share with their families.

Upcoming dates for your diary:

Friday 8th March 2-3pm
Sensory time - (Lambs)

Thursday 4th April 10-11am
Attachment - (All rooms)

Monday 15th April 2-3pm
Supporting behaviour and building resilience
(All rooms)

Wednesday 20th March
Welly Waddle

Sunday 17th March
(date could change)
Easter Fair

Our next Parents as Partners meeting will be

Tuesday 12th March
if you would like to join in please email us at
ffn5@fisherfieldchildcare.co.uk

Little Farmers

The Farmers children have been continuing their journey with the Bury College students for Forest School, planting and creating natural art work in the garden. As we recently explored the topic of Harry Potter, we made our own potions in the garden, making wands and casting spells! The children have also learnt about safety around fires and how an adult must tend to the fire, and other safety aspects. This has helped develop confidence, learn new social skills and adapt to new and different situations.

We have also been very lucky to have the students from travel and tourism

visit the setting for 3 weeks completing a range of activities with the children such as face painting, decorating biscuits, making faces with pasta and paint and collage pictures. The children enjoyed spending time with new faces and exploring new creative activities.

please ask a member of staff if you need help

Question of the month:

What time is best to hold our parent workshops?
We are trying to gauge the best time to hold our parent classes as attendance can be very different from one room to the next... please cast your vote in the entrance!

The setting have recently acquired a new allotment space at the back of the nursery, we are looking for volunteers who would like to help us create a new planting space for our children, we will be looking at planting lots of different types of plants, and fruit trees so the children can see the full process of planting, growing and using the foods we grow in cooking. If you feel this is something you or a family member would be interest in please email us
ffn5@fisherfieldchildcare.co.uk

If you would like to book a party at Running Wild, log onto www.runningwildparties.co.uk where you can check availability and book online.
Alternatively ring 0161 653 1996 and speak to Paula.
