

Lambs:

The children in the Lambs room have recently begun focusing on a 'word of the week' to support communication and language. Each week the focus word will be displayed as you enter the room so you can share this at home too!

To support each topic we have been sending home a story to share with our families. One of the books we explored was 'Dear Zoo'. We read the story together at nursery and created a display to show off all the rich exploration the children took part in as they learnt about the different animals through small world play.

Upcoming dates for your diary:

Tuesday 14th May

Staff Sponsored bike ride

Sunday 26th May

Taking stories outside
(Stay and play)

Tuesday 4th June

Eid celebrations

Thursday 13th June

Teddy toddle and picnic

Saturday 29th June

Summer fair

Farmers:

The Farmers children have been continuing their forest school journey with the college students. The children are thoroughly enjoying taking part in new activities such as: as den building, making natural pictures, bug hunts and other things and taking safe risks in play.

The Farmers have been learning all about British Values as they vote for their favourite story as part of the morning registration. From the children's interest we are going to begin creating new story sacks for our favourite stories. Don't forget our book library is still available for children to take books to share at home!

Ducks:

The Ducklings team would like to say a huge 'Thank you' to the parents who came in to join the three week sprint and our focus of parent partnerships. The children enjoyed sharing stories, listening to music and baking with our families! We would like parents to continue to volunteer to visit the setting at a time that is convenient to you and continue sharing these great experiences with us!

The Ducklings have been having a great time recently exploring our new outdoor bus created by our talented Handy- Man Duncan using re-used pallets! The children will ask the ladies to sit down as we travel through the park to the ice cream shop and even to the zoo! This has encouraged lots of imaginative play and supported communication and language skills.

NSPCC Updates

The children in nursery have recently enjoyed completing their welly waddle. The children discussed how to keep safe on a walk and the importance of wearing their high visibility vests. The children found an apple tree on their travels and discussed why some apples were on the tree and why some were on the floor. They were also interested in the colours of the apples and how they grow. The children created their own puddles to splash in as it happened to be a bright and sunny day! Thank you to everyone who helped us raise money for the NSPCC and thank you for your continued support.

Exciting News!

The Fisherfield Family is growing!

We will be opening a new setting based at Derby St Children's Centre, Heywood, OL10 4QJ. The setting is currently undergoing extensive renovations. Open days will be announced in due course.

If you would like to book a party at Running Wild, log onto www.runningwildparties.co.uk where you can check availability and book online. Alternatively ring 0161 653 1996 and speak to Paula.
