

## Little Lambs

We recently attended a baby room training course, where we explored the benefits of messy and sensory play for young children. We thought it would be a great idea to invite parents/ grandparents of the baby room children into nursery to take part in a lots of messy play activities. It was a very successful morning and lots of activities were set up in the room for the children and adults to enjoy. We had jelly, custard and rainbow spaghetti! Anne made us some yummy cakes and our grandparents/ parents had a great time talking to staff and other carers whilst engaging in play with their children. We are very excited to plan more sessions like this in the future as we received great feedback.

## Farmers

The Farmers had lots of fun celebrating Pancake Day. We helped our Nursery cook, Anne, make the mixture for our pancakes after exploring the ingredients with our hands. We then decorated our pancakes and also took part in a pancake themed obstacle course. Each child brought in a pan and attempted to flip their pancakes in the air! The children were great at following the instructions and helped one another by using encouraging language and providing support. This was a great day which the children still speak about as they had so much fun!
