

Lambs

We have recently introduced a 'word of the week' in the Lambs room. This initiative has really developed parental involvement in the nursery. Our word of the week is displayed on the door of the Lambs room.

The children have also enjoyed a topic all about spring. In this topic they have explored a variety of flowers and plants. We also had fun baking delicious treats for our Mother's Day afternoon tea.

Farmers

The Farmers have recently taken part in a Julia Donaldson topic. As part of this topic, they made a full stick family to display in the farmers room. The children loved the creative experience of making their own stickman, as well as using these props to retell stories and share their experiences. The Farmers have also enjoyed their recent topic all about eggs which developed from an interest in the Spring season. The Farmers carried out an activity which looked at the difference in the egg shells however, when the eggs were smashed the insides were the same. This impacted the children's personal social and emotional development.

NSPCC – Thank you!

Thank you to all the parents who joined us for our Mother's Day afternoon tea.
We loved hosting the party and raised £15 towards the NSPCC.

Whole setting

We have been developing our outdoor area. The woodland yoga area is now set up and the children have been enjoying carrying out the various positions displayed. The bug hotel is looking great and our creep crawly friends are now taking up residence.
