

Farmers

The Farmers children expressed a desire to learn about the elements. We sent home learning bags for collecting objects to represent hot, cold, dry and wet. We then carried out experiences such as making moon sand, volcanos and introduced the concepts of weight in water.

Ducks

The Ducks children have recently explored the story book "We're Going on a Bear Hunt." We went on a bear hunt around the nursery and created our own family photographs.

The Farmers

The Farmers have been exploring music from the wider community and would like to thank Macie's grandad for sharing his African drums with the children. The drums were donated by an African school and the children loved looking at these and singing the same music as the African children sing at the Farmers circle time.

Social Saturday

Thank you to all parents who joined us on Social Saturday. Jo Potts from True Serenity attended and carried out a mindfulness session with the baby room. Following the enormous success of the event, we will now introduce this into the weekly routine. The Farmers have also begun to introduce 'mindful Max' sessions to their daily routine; this supports the children in learning about being present. We will be holding a parent mindfulness class on Friday 5th July at 2.30pm.

Carnival

The team attended the Norden Carnival in Rochdale. The theme was Superheroes and Villains. The Fisherfield float won Best Dressed Float!
