

WHOLE NURSERY NEWS

Over the summer period, the rooms have been joined and have had some great experiences together. We have explored mini beasts and had live caterpillars/ butterflies in the setting. We have been exploring Forest School activities with Kim in the college gardens on bug hunts, den building and story-telling in the hut, as well as enjoying trips out to the local farm, park and local pet shop.

Staffing changes

September is a very exciting time at nursery with lots of new families and children welcomed into our nursery; this sees a change with our staff too. Our new teams will be:

- Lambs** - Karen, Rekha and Ellie
- Ducks** - Kat, Sophie, Imogen and Anisah
- Farmers** - Chelsea, Beth, Tanya and Ranees.

This is a great opportunity for staff to build on their own professional development by experiencing supporting different ages and it helps to support children by moving rooms with familiar faces!

Welcome and Goodbye

Ranees

Anisah

We would like to say goodbye to Nicky who will be leaving to join our Redvales site after 10 years, Nicky has been a great asset to the team and we wish her lots of luck on her journey.

We now welcome Ranees and Anisah who will be joining our team from Redvales, Ranees will be based in the Farmers room and Anisah with our Ducklings.

Upcoming events:

Staff static
bike ride

Bake sale

Weekly stay
and play
sessions

Multi-Cultural Faith day at Bury College

The children at Bury College enjoyed a multi-cultural faith day at Bury College. They were able to explore fire engines, police cars, and an ambulance, try on different uniforms and meet lots of new people. The children were excited to see the bubbles coming from the fire engine and dance to the music. They were each given a Thomas the tank sticker book to speak about safety on trains. The children were able to have a short ride in the fire engine around the car park.

Well Done:

We would like to congratulate Kathryn on her new leadership position from September in our Ducklings room!

Stay and Play sessions

After gaining feedback from parents who attend the setting, we found that parents sometimes find the 6-week summer holiday a long period of time for their child to be off nursery and they don't always have other children around similar ages to socialise with. After hearing this, we decided to hold regular stay and play sessions with different themes such as: a Room on the Broom creative session, baking, yoga and taking stories outside as part of Forest School.

So far the feedback from parents has been great! Families have found the activities exciting, it has given them new ideas to try at home and they have enjoyed seeing how their children play with others. As this has been a great success please keep your eye out for further dates and come and join in!

If you would like to book a party at Running Wild, log onto www.runningwildparties.co.uk where you can check availability and book online. Alternatively ring 0161 653 1996 and speak to Paula.
