

## A-hoy Sailors

The children have had lots of fun exploring the pirate ship in our outdoor area. The children have made golden treasure coins, which we hid and carried out a treasure hunt! They also created a giant pirate ship and decorated this. To top off all the imaginative play we made special pirate hats to wear as we sang and sailed off to sea!

## Mindfulness Sessions

In our brand new, purpose designed sensory room we have been carrying out Mindfulness Sessions. These sessions have been introduced as they help children's confidence and self-esteem, concentration and strengthens the mind-body connection. Children feel relaxed and calm after the sessions which improves children behaviour. Some of the activities the children enjoyed included bubble play, exploring our breathing and yoga.

## Attachment Workshop

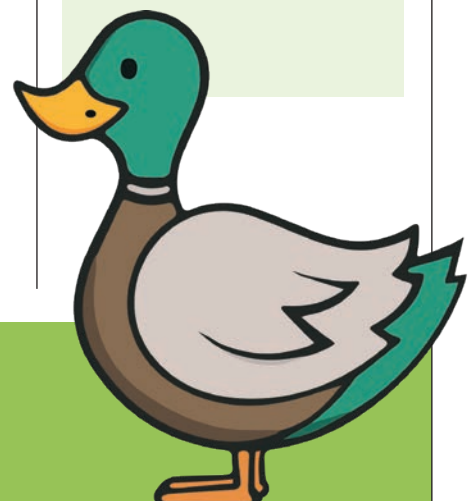

Thank you so much to all new parents who took the time to attend our recent Attachment Workshop. It was a huge success and we enjoyed meeting new families and sharing our knowledge.

Throughout the rest of the year you can expect more workshops to be held on a variety of different themes, such as toileting, weaning, routines, self-regulation and much more! If you have any suggestions of areas you would like us to focus on, please speak to a member of the staff team.

## iConnect/ParentZone

Many of you will have received a link to sign up for ParentZone. Please ensure you take the time to create an account and download the app as we will send a lot of information and pictures through this. If you are unsure of how to sign up, or use the app, please speak to a member of staff.

To help us develop our environment and make it more homely, please send us pictures of your family, pets, holidays and special events. We will use these pictures to create news boards and family photo albums. On your child's admission to nursery, we will be handing out how-to guides on how you can upload pictures on ParentZone.
