

Lambs

The Lambs have enjoyed learning about 'People Who Help Us', especially about the Dentist and how we can take care of our teeth. We have investigated: brushes, tooth paste and teeth as part of the topic and loved painting our own junk model teeth to take home. The children have explored the story "Smiley Crocodile" and loved seeing the crocodile's big mouth full of teeth.

Farmers

The Farmers have been developing the food box we use in Farmers room at meal times. By enhancing this, it has sparked a new enthusiasm for learning about where food comes from and how things are made. The children have also experienced making different foods and baking with Jake. One of their favourite activities involved exploring different fruits and discovering the different kind of seeds inside all the fruits they eat. We then took these and planted them outside. We are excited to see what happens next!

Whole setting

We have been looking at how we can promote risky play as a setting. We have been using lots of pallets and loose parts to promote opportunities to take appropriate risks on a day to day basis in the nursery. The whole setting has enjoyed finding resources and using them with the children.

Dates for the diary

17/9/19:
Parent council meeting
1.00pm

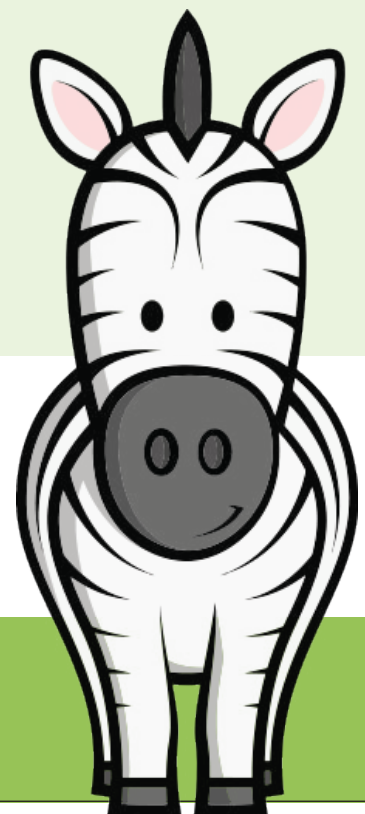

26/9/19:
Mad Hatters Tea Party

21/10/19:
Halloween Hamper
Raffle

30/10/19:
Monsters Ball

Question of the month?

SEPTEMBER:
Do you know who your
child's key worker is?
