

Eight-week sprint

Linking to our eight-week sprint both the Duckling's and Famer's room have set up a self-regulation area. The children have enjoyed accessing the area when upset or just needing to relax. The Farmers children have loved the introduction of the 'Inside Out' emotion teddies and have been supporting each other to understand the emotions each character represents. We have created emotions bags that can be taken home to support children

Lambs

The Lambs children have enjoyed the introduction of sensory morning each week. The children have been exploring different textures and sounds which has linked to our sound week topic. We would also like to thank all parents who attended our morning sensory class.

Ducklings

The children in the duckling's room have enjoyed the introduction of sign of the week. This has supported the children's communication skills and developed their attention.

DATES FOR YOUR DIARY
