

Lambs

We have recently introduced yoga in the Lambs room. This is being carried out weekly to help support the children's physical development. The children enjoy using their gross motor skills to move their bodies in different ways.

Ducklings

We have introduced Forest School in the Ducklings room and the children are learning about seasons. The children took learning bags home and collected various items relating to the season Autumn such as conkers, leaves, sticks and acorns. These resources were then used in a variety of different, exciting activities at nursery such as Autumn themed playdough, and printing using pine cones!

Farmers

The Farmers showed an interest in the '10 little pirates' story and took part in a pirate theme week. The children made telescopes, treasure maps and going on a treasure hunt and built pirate ships with the loose parts in the construction area.
