

Since returning the children have had lots of fun exploring the different weathers, and learning facts about nature and their favourite things such as dinosaurs. They have learnt what a herbivore and carnivore is and have explored what different animals eat in the jungle.

The children have enjoyed drawing pictures of their favourite characters and we have created farm collages and large pictures together.

As there have been a few sunny days the children have enjoyed exploring the outdoor gardens searching for mini beasts and watching the butterflies. We have enjoyed ice lollies and made our own milkshakes.

Remember for September!

Please ensure your child has a nursery bag filled with a spare change of clothes and nappies (if needed). If the weather is nice, every child will need a new bottle of sun cream to remain at nursery with their name on and wellington boots for the rainy days!

Don't forget to send in photos of what you have been up to over the Summer months for the staff to use as inspiration for the curriculum at nursery. We love to share these photos with the other children and use them as talking points.
