

Fairy garden

Thank you to Roman and Arabella's mum for sharing her wonderful fairy garden idea. The children have loved creating their own fairy garden outside. The children enjoyed painting toadstools and planting flowers for the area. They then decorated the canopy to create a quiet area.

Science morning

Since returning the children have enjoyed taking part in science morning with Hayley which happens once a week. The children have learnt about chemical reactions and loved creating explosions by pouring vinegar, food colouring and baking powder into a zip lock bag.

Homework champion

During lockdown we sent homework out on the iConnect for parents to complete with their children. Our homework champion was Isobel Pilling and her mum who completed tasks each week and sent in what they created. Thank you for joining in.

Graduation party

We celebrated the end of term with a graduation party which was enjoyed by all children. We wish all our school leavers all the best of luck in their transition to school.
