

Dorset Drive NEWSLETTER

August

Since reopening Dorset Drive on the 29th June we have been very busy settling our children and making them feel welcome. We have been exploring colour and creative activities to learn about colour in different and exciting ways.

We have been painting rainbows to decorate the outside fence of nursery for all visitors and public to see when walking past. The children have enjoyed mixing the paints themselves to create different colours. During circle times we have been listening to the story 'Elmer' and watching clips on the computer. This book is great for learning about colours and patterns!

The children have also had lots of fun outdoors with colour, we have been popping paint balloons to create patterns and coloured splats. Another idea we had was to mix powder paint in the puddles.

The children loved this and we will definitely be doing this again! We have coloured in and decorated our own picnic blanket and enjoyed a picnic tea sat around our very own personalised blanket! The children have also been learning about similarities and differences and symmetry. We enjoyed making a butterfly painting using half of our paper and folding it down the middle to create identical colourful wings.

QUESTION OF THE MONTH

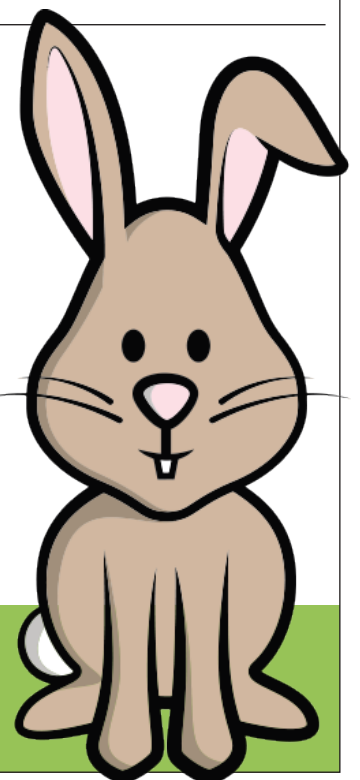

July - Aug

Do you have any concerns or questions regarding your child's transition to school?

Aug 18th
SPORTS DAY
(children only)

Our nursery children and staff will be decorating stones and pebbles from our woodland area to contribute to a world record stone snake, around the Lido lake in Clarence park, Bury. This stone snake has been added to by hundreds of people over lockdown and are decorated with all patterns, colours and pictures. We will be decorating our own and a member of staff will take them to the trail and add them towards the world record!

Unfortunately, we cannot plan any stay and play sessions at the moment due to the ongoing situation with Covid-19, but as soon as this changes we will be planning on opening our doors again to all you lovely parents and siblings to join in our fun!

Our Contact Details are as follows:-
