

Lambs and Ducks

The children have recently enjoyed our messy mornings where we have been exploring sensory trays on a large scale.

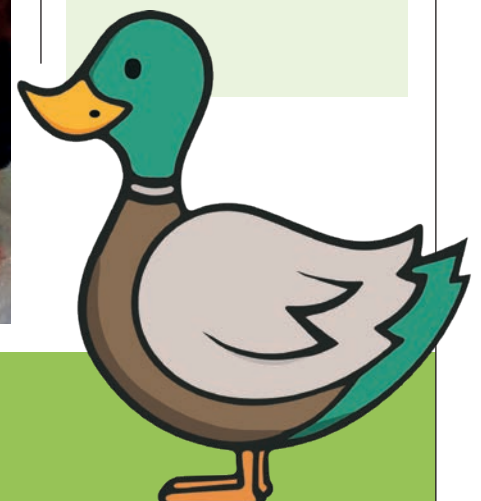

The Lambs room has reintroduced their literacy project books to run alongside 'Next Steps'. For this topic, the book we have chosen is 'Brown Bear'. Our literacy project allows the children to hear repetitive language and supports them to begin to make connections between sounds and the words they say. Each week the book will be sent home with a different child to be read with their parents.

OUR QUESTION OF THE MONTH IS 'HOW CAN WE SUPPORT YOU?'

After such a long break we would like to offer personal support in areas you feel you need it. This can be with: toileting, sleep routines, school readiness etc. A letter will be sent out to all parents.

Thank you again for your patience during this difficult time.

Farmers

The Farmers children would like to thank Georgie's mum for kindly providing the nursery with an amazing water sprinkler. We have had so much fun and it helped us stay cool during the hot weather.

'Well done' to all children who have now returned to nursery in September. The children have settled in well and we have really enjoyed hearing all about the exciting things they have been doing over lockdown. We will be sending out letters informing you of your child's key person. Please could all parents send in family photographs if you haven't already done so?

NSPCC fundraising

We would like to thank all parents and families for their generous donations over the past year to the various NSPCC events/appeals each nursery has hosted. Together, with your help, we have been able to raise £6392 for the NSPCC across Fisherfield this year! This money will serve to make the lives of vulnerable children across the country better. We have been raising money for the NSPCC since 2009 and we are proud to say that with the support of the families who attend our nurseries, we have raised £84,145 in just over a decade.

After consulting with the Nursery Council in each of the Fisherfield nurseries, we have made the decision to start supporting the RSPCA. The children have demonstrated an interest and love for animals, and this will be a great way to build on their interests. As part of our support for the RSPCA, we will be sponsoring a dog named 'Ginger' and will continue to host exciting and fun fundraising events as soon as it is safe to do so!

Ginger

Ginger is a fluffy pup who loves exploring the outdoors. She's about to start her guide dog training but she needs your help.
