Nov-Dec

## Covid19 update

We are continuing to work in bubbles and have introduced the use of face masks at close contact care times such as nappy and mealtimes. This is to protect both staff and children from transmitting the virus to one another. All parents must also now wear masks at drop off and collection. Thank you for your ongoing support.

Due to current Covid19 restrictions our usual staff training day which is held on the first weekday of the year (Monday 4th January 2021) has been postponed to Monday 5th July 2021. Therefore, on Monday 4th January 2021 we will be operating as normal.

### DATES FOR YOUR DIARY

#### PYJAMA DAY

Friday 13th November

#### CHRISTMAS JUMPER DAY

11th December

#### CHRISTMAS PARTY WEEK

WC 14th December  
more details to follow

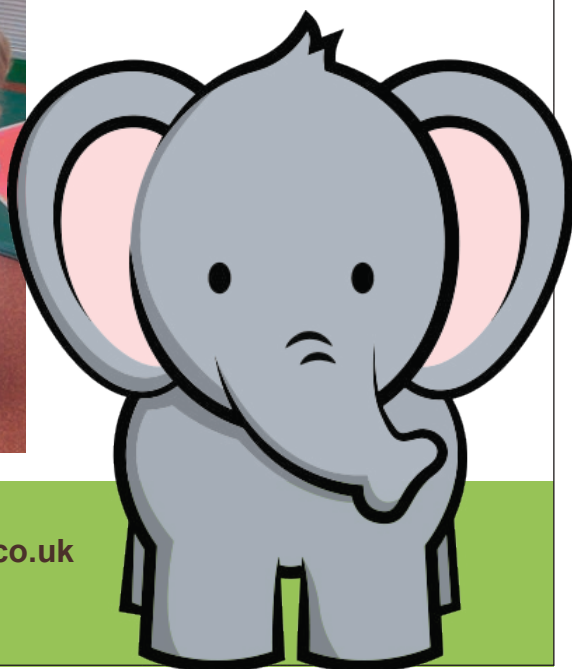

We at Fisherfield would like to say a big thank you for all your kindness and cooperation during these past months.

Happy Holidays and we look forward to seeing you in 2021.

### Lambs

The children have been singing songs focusing on the golden rules which have also been sent home with parents – this has helped children within the room follow and cooperate with boundaries. The children have also been exploring with their senses through different messy play activities such as spaghetti, jelly, and foam paint. They also enjoyed taking part in sound walks around the nursery whilst on forest school and listening to the different environmental sounds.

The Lambs have been focusing on Families and have used the familiar nursery song 'Baby Shark'. Each day the children explored a different family shark and carried out activities linking to this – Parents also sent in family pictures for them to look at which was amazing. Thank you for your support in this learning journey!

## Ducklings and Farmers

The children in the ducks and farmers have been taking part in lots of fun activities. Recently the children went on a learning journey focusing on the 5 main senses. Each day the children looked at a different sense and carried out activities such as food tasting, smelling oils, walking in paint and sound walks around the nursery.

The children have also been introduced to a new story called 'The Colour Monster' which was brought in from a child. Through this story the children have been made aware of different emotions and linked them to colors which has now made it easier for children to now express themselves at nursery. We enhanced our calm area in the room adding bright colors and sensory bottles for the children to access when talking about their feelings throughout the day.

## Halloween

We enjoyed exploring the pumpkin as part of our Halloween celebrations. We carved a pumpkin and the children loved using their hands to explore the inside of the pumpkin. We then went outside and planted the seed in our planting box. After this we decided to use the rest of the pumpkin to make pumpkin cakes which the children loved tasting. We then made our own pumpkins using paper plates.
