

Covid19 update

We are continuing to work in bubbles and have introduced the use of face masks at close contact care times such as nappy and mealtimes. This is to protect both staff and children from transmitting the virus to one another. All parents must also now wear masks at drop off and collection unless exempt. Thank you for your ongoing support.

Due to current Covid19 restrictions our usual staff training day which is held on the first weekday of the year (Monday 4th January 2021) has been postponed to Monday 5th July 2021. Therefore, on Monday 4th January 2021 we will be operating as normal.

Lambs – Bubble 1

The Little Lambs have been on a trip around the world as they learnt about different countries and their cultures. This included countries such as Italy, the UK, and Ireland. They looked at pictures of buildings from around the world and had a go at recreating them in the home corner. We also focused on colour recognition by exploring the country flags. The children enjoyed tasting and smelling a variety of ingredients local to the countries they were focusing on each day. One of their most favourite things to do was create some Irish stew in the home corner!

Bubble 2

In Bubble 2, the children have enjoyed lots of Halloween fun! We carved out our very own pumpkin and then used the flesh in a sensory tuff tray. The children enjoyed reading a variety of Halloween themed books and perfecting their zombie moves during dancing sessions! To take the children on a learning journey, we used some pumpkin to make a cake which the children reported to be spookily delicious!

Bubble 3

In Bubble 3, the children have been focusing on learning about transformations and changes. The children enjoyed a variety of experiences such as ice painting, volcano explosions and a skittles experiment where they watched the colours mix to make a rainbow in a plate of water. This was a great way to support the children's early science skills as they made predictions, tested their ideas, and changed approach as required.

Parents Evening/2-year checks

Due to Covid-19, our normal parents evening has been cancelled. However, the staff team are busy compiling reports to share with you so you will still receive a written report on your child's development. We will liaise with you over the phone should you have any concerns about your child's development or suggestions of next steps. 2-year checks that were due in our May parents evening will also be carried out at this time. Please ensure you return the 2-year check report that has been put in your child's bag as your child's key worker will need this information to write your child's 2-year check report.

Parent Feedback – Google Reviews

We were so overwhelmed with the feedback sent to us following our recent request on ParentZone. Thank you so much to all the parents who took the time to write such lovely messages and offer their suggestions on how we can continue to support you.

We would hugely appreciate it if you could leave a review on Google so other parents can also see your perspective on the nursery.

Happy Holidays!

We would like to say thank you to all parents for your co-operation during these unusual times. We hope next year brings some form of normality back. We hope you have a lovely Christmas break and we look forward to welcoming you back in 2021.
