NEWS FLASH

January & February 2021

ONE BIG HAPPY FAMILY

The Lambs and Ducks have really settled into their new rooms and have added lots of photographs of themselves and their families around to create a strong sense of belonging for us all. The children have added books, puppets and hanging displays to make the areas cosy and inviting.

Coming up....

The children have been enjoying focusing on all about me since returning, ensuring children are settled well into their new routines and sharing stories and photographs about our families. We will now be focusing on animals and are enhancing our displays across the setting with children's work. The farmer's children are creating a large Julia Donaldson theme in the bathroom which they are very excited to share with you when it is complete!
