

# DERBY STREET

# NEWS FLASH

January & February 2021

## YOUNG SCIENTISTS

We have recently loved being involved in lots of science experiments. The children were excited to try out and watch different explosions. Thank you to Isobel and Heidi's mum for getting involved and sharing ideas for activities. We loved the 'shake your sillies out' activity. Where we put raisins and water in a bag, danced with it and watched the effects on the mixture.

**Parent Support packs are now available to collect which include attachment, school readiness and toilet training. If you require a support pack please let your key person know.**

**Please could parents send in photographs of their family celebrations.**

In the coming month we will be learning about the community and the roles those close to our children have in the wider world. We will be learning about the different celebrations our families have and how we are all unique.

## THANK YOU

Thank you to all parents for donations to our RSPCA events, we raised £110 in December.

### Dates for the Diary:

Wednesday 10th February 2021:
