# NEWS FLASH

January - February 2021

The Lamb's children have recently enjoyed exploring through their different senses. We have taken part in fun activities such as jelly play, scented playdough, and going on sound walks which supported the children to learn through touch, smell, hearing and sight.

The Farmer's and Duckling's children have been learning about people who help us in the community. We posted letters, learnt about the role of police officers and were visited by a local lollipop lady. To extend the children's learning could parents please send in a photograph of themselves at work or in the community.

## 8th February 2021

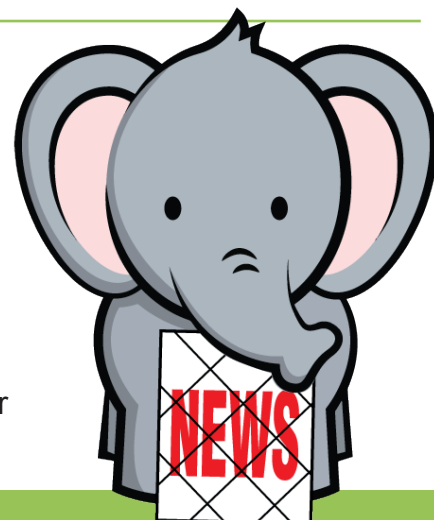

Our nursery sprint will be focusing on School readiness and how we can help support you at home. We will be updating our School Leaflet and send out home learning bags with different activities in.
