

BURY COLLEGE

NEWS FLASH

March 2021

Over the last few weeks we have enjoyed celebrating lots of festivals such as Shrove Tuesday, Valentine's Day and Chinese New year! We have had fun creating our large scale dragon and learning to flip pancakes.

The children have enjoyed reading our new story 'The world made a rainbow' and creating their own rainbows to share with their families. We will be continuing to support the children to learn about different feelings and how we manage them through this story, we will be introducing different emotion characters allowing the children to be able to name how they are feeling. Through role play such as baby clinics we will support the children to understand how to look after others and the impact their actions have on others. We will also be creating self-regulation areas for the children in each room.

In March we will be re-planting fruit, vegetables and plants in our allotment ready for the warmer weather!

THANK YOU

Thank you to everyone who took part in our Valentine's sale we managed to raise an amazing £210! Well done to George who won 'Guess the Name of the Bear' the winning name was Buttons!
