NEWS FLASH

March 2021

DUCKS/FARMERS

The children have enjoyed reading our new story called Mr. Wolf's Pancakes. From this story the children made their own pancakes using playdough and also had pancakes for snack.

LAMBS

Thank you to all parents for contributing metal and junk modelling objects to help the Lamb's children develop their home corner area. We have had lots of fun exploring different materials in the home corner including spider spaghetti, shaving foam and gloop.
