LAMBS/DUCKS

The Lamb's and Duckling's children have enjoyed making sensory toys for our self-regulation areas this is a space for children to have quiet time, to explore rain makers and emotion puppets. Thank you to parents for bringing in bottles and empty boxes. We used the bottles to make sensory rainmakers which the children like exploring during mindfulness activities.

FARMERS

The children have loved the introduction of mindfulness mornings. We are supporting the children to learn to meditate, to understand their feelings and the effects of their own breathing on their body and mind.
