NEWS FLASH

March 2021

We have been introducing a new story to the children called 'The World Made A Rainbow'. This has allowed the children to explore their own feelings and experiences of lockdown. The children enjoyed making memory boxes filled with pictures of their family members and shared experiences of zoom parties and walks in the park to see their grandparents.

In March we will be developing writing areas for the children, we will be setting up self-registration areas in both our rooms where the children will have access to a quiet space to explore sensory toys and puppets. We will be writing to our sponsored guide dog. We will also be sending out school readiness support packs to support our children with their upcoming transition to school.

**Dates for the Diary:****8TH MARCH WILL BE BAKE OFF WEEK**
