

SCHOOL HOUSE

NEWS FLASH

May 2021

The lambs and ducklings children have continued weekly forest school activities and particularly enjoyed den making. The children were supported to work together to build their den and then enjoyed taking shade and also using it as a truck carpark.

The farmers and explorers' children have enjoyed taking part in lots of different science experiments. We explored colour missing by placing different coloured paint in the balloons and popping them to see what colour we made. We made bottle top explosions using vinegar and baking soda. The children then enjoyed making their own colour volcano and creating lava using bicarbonate of soda, vinegar and water.

In May we will be proudly celebrating 25 years of Fisherfield Childcare. We will be taking part in a company bake off, balloon release and creating time capsules. We will also be celebrating with a silver jubilee party.

Dates for the Diary:

17th May
