July 2021

## LOOK WHAT WE HAVE DONE...

The children have been very busy outdoors the past several weeks. We have been planting flowers in our new pots, enhancing the fences with our beautiful art work and continuing to do new exciting activities in the woodlands with forest school including scavenger hunts and hedgehog hunting!

The children have been exploring new creative ways outdoors such as painting clingfilm and drawing underneath the tables lying on the floors which they loved.

We have been celebrating England football matches with a penalty shoot out and making england shirts and streamers. We have also celebrated the queen birthday with a tea party and dress up day.

## LOOK WHAT WE WILL BE DOING...

We will be continuing with outdoor play and enhancing our outdoor learning space. Going on bug hunts, exploring the growing garden and collecting apples to bake with and continuing with creative mark making.
