July 2021

## THE GABLES GARDENERS!

Throughout the month of June we have been working together to get our nursery garden ready for the summer months! The Little Lambs have their very own Herb and Vegetable patch where they are growing Potatoes, Carrots, Green Beans, Strawberries, Mint and Parsley! The Little Lambs water their plants each day and put them out in the sunshine! Our plants are getting so big now! The Farmers have made some wind chimes and tidied up our Forest School area – planting Wildflowers and Pansies, making some lovely new bunting and putting up our tarps!
