

# SCHOOL HOUSE

## NEWS FLASH

July 2021

### EXPLORERS

The Explorers enjoyed a nature week, the children made flower crowns and went on scavenger hunts in the outdoors. We slow cooked our own soup and enjoyed all our meals in the great outdoors.

### WARM WELCOME

We are excited to inform you that Joanne Crowther will be joining the School House team as Nursery Manager alongside Nadia. Joanne has worked in childcare for 24 years and opened the original nursery at the School House. She has been extremely successful in her career managing nursery settings.

### NURSERY COUNCIL

This term's councilors have been Eryka, Hattie, Penny and Niall who have worked on developing the outdoor area. They held a meeting to identify what they wanted to play with such as balls and tractors. They also with the help of Duncan turned our large sand pit into a role play bus. The outdoor area has been painted and a new mud kitchen area set up. Well done to the council!

### FARMERS

The children have enjoyed learning activities linked to the story of the 'Hungry Caterpillar', they have also been watching our Caterpillars grow. We linked this learning to exploring different foods and the children have identified new foods they would like on the nursery dinner menus. A copy of the menus will be sent out to parents once the children are happy with them.

### LAMBS & DUCKS

The children have enjoyed sensory play, we explored different sounds, materials, and lots of sensory trays. The children made marks in flour, shaving foam and sand, they used metal objects to create loud and quiet sounds and have made their own nature sensory bags.

## Dates for the Diary:

Friday 16th July  
**END OF TERM**
