

BURY COLLEGE

NEWS FLASH

August 2021

This month we have said goodbye to all of our leavers and have celebrated with a forest key worker session, a leavers party and graduation day which was super! The children were each able to take home a leavers goody bag with some treats in and a beautiful photograph of themselves enjoying their special day.

This month we have focused on sports to celebrate the opening of the Tokyo Olympics, we have been practising our football skills with our new balls, playing rounders and are going to be holding different sporting events such as egg and spoon racing, races and bicycle races the children are very excited!

The Lamb's children have enjoyed learning new nursery rhymes. We have been using props and puppets during circle time and our favourites have been tiny turtle and baby crocodile.

We will be introducing some new pets to the nursery with the arrival of our new baby land snails- they are very small at the minute, but the children will be encouraged to take care of them in the nursery, ensuring they have a clean tank and are well fed and watered!
