

# DORSET DRIVE

# NEWS FLASH

August 2021

## LOOK WHAT WE HAVE DONE...

We have been continuing with enhancing our outdoor areas together with adding to our mud kitchen area with new appliances, lights, herbs and a rain water collector. We have added an outdoor phone line from areas around the garden for children to use with each other extending the childrens communication and language opportunities and role play experiences. We have created together a whole new potting and planting space for the children to use independantly with soil, frames, spades and seeds. We are looking forward to getting lots of use from the new areas in the following month.

We sadly said goodbye to our school leavers of 2021 who we will miss, we celebrated with a fun packed week of exciting activities for all children to be involved in. We enjoyed an action packed sports day, an art attack colour day, a superhero party, Red carpet graduation and a cinema day with a projector and treats!

## LOOK WHAT WE WILL BE DOING...

We will be continuing with outdoor play and enhancing our outdoor learning space and also introducing lots of focussed oral health activities to extend the children knowledge on a new topic for september.

**PLEASE REMEMBER TO BRING / KEEP A PAIR OF WELLIES AT THE NURSERY FOR REGULAR FOREST SCHOOL ACTIVITIES**
