

EDINBURGH WAY

NEWS FLASH

August 2021

LAMBS

The lambs have enjoyed lots of sensory activities where they have used their whole bodies to explore! They have taken part in body painting, mark making in flour and shaving foam and creating sensory bottles. The children have had lots of wild birds visit the garden recently, so we made bird feeders which the children enjoyed hanging up and watching the birds eat.

FARMERS SUNSHINE!

The farmers have enjoyed the sunshine outdoors where they have taken part in several activities such as bat and ball games, parachute games and penalty shootout. As well as this, the children have enjoyed water play where they have made their own potions and who can throw the water balloon the furthest.

LEAVERS PARTY

Good luck to the preschool leavers! Hope you all had fun in your last week and at the leavers party.

CELEBRATIONS
