

THE GABLES

NEWS FLASH

August 2021

SUMMER SUNSHINE!

We have enjoyed spending lots of time in our nursery garden enjoying the summer sunshine! We made some new space rocket and planets bunting, explored a perfume parlour and made some of our own magical potions to put in our curiosity corner, we enjoyed exploring an animal wash station with lots of soapy bubble fun! The children worked together to make their own giant obstacle course using our loose parts and outdoor play equipment and even the ladies had a turn! We have been taking extra special care of our plants giving them lots of water and special plant food, and we even got to harvest, cook and eat some of our homegrown nursery potatoes, they were so yummy!

LAMBS

The little lambs loved exploring our topic of 'the zoo' after a few of the children shared their visits with us on Parentzone from holidays and day trips out! We created pictures and the children took part in animal yoga sessions, learning some new poses including the 'spider monkey' and pink river dolphin.

PARENT NOTICE

We would like to wish all our leavers the best of luck in your new adventures of going to big school!

We will miss you all very much xx
