### LAMBS

The children have learnt the head, shoulders, knees and toes song using the dolls. We explored and named body parts and had lots of fun washing the dolls in the garden area.

### DUCKS

Following the children's interests we have created a new small world area to explore and investigate animals and dinosaurs. The children have been exploring different materials, learning animal names and where the animals live.

### FARMERS

The children have enjoyed learning about the 3 little pigs story, they acted out the story in the garden taking on different roles and building their house.
