NEWS FLASH

August 2021

**LAMBS**

We have enjoyed planting their own sunflowers and watching them grow. The tallest sunflower measured at 57 inches. We also planted lots of different flowers and vegetables. Our potatoes have started to grow, and we are excited to see what we can make with them.

FARMERS

The children celebrated starting school, the children enjoyed their visit from the ice cream van, dressing up as their favorite superhero and attending a black-tie ball where they got to take their graduation photos. We are always sad to see our friends leave but wish them well as they move onto school, where they will all be amazing.
