

BURY COLLEGE

NEWS FLASH

SEPTEMBER 2021

The children have really enjoyed spending lots of time together during the summer holidays and welcoming lots of new friends into our nursery. We have enjoyed football games, lots of sensory play, den building and sharing lots of different stories.

One of our favourite stories was the Gruffalo and we enjoyed building the foxes den, making mouse hats and making owl ice cream!

As we have had lots of new children starting at nursery we have had a lot of new babies, the children have shown a great interest and have been very caring towards the babies, we have extended this by adding more dolls and baby items to our home corner where the children have enjoyed changing their nappies, giving them food and water and putting them to bed.

Don't forget our new recipe books are available for £1.00 with children's favourite nursery melas if you would like one please ask a member of staff.
