

# DORSET DRIVE

# NEWS FLASH

**SEPTEMBER 2021**

We would like to start off by saying welcome back to all our children and their families and to all our new families that have joined us!

## LOOK WHAT WE HAVE DONE...

During the summer holidays we have been letting the children take full lead on the planning by telling us each day what they want to learn and want to explore with help from parents too. We have been exploring lots of creative activities such as making our own cars and excavators using boxes and paint and having races outside with them. We carried out science experiments with light and heavy objects, seeing which objects can be blown using a straw and also researching about shadows and why they change sizes. We have had lots of fun catching and measuring rain fall using our rain water container in the mud kitchen. The children can independently get water themselves to explore and add to the outdoor kitchen area. We have been using apples from our tree and making our very own 'apple juice' with water and apples and 'hot chocolate' with water and soil and using our own rubber mallets to make dens in different areas of the garden! We have been doing lots of baking activities and looking into number recognition, weighing and quantities.

We have two new friends in nursery **Rita** and **Gerrard** our pet african snails. They will live in the entrance for everyone to watch grow but will also spend parts of the day in the rooms with the children to observe. We will be learning facts about them and feeding them.

## LOOK WHAT WE WILL BE DOING...

We will be settling our children back into the new term continuing to follow their interests and learning all about the new families that have joined Dorset drive. We will also be carrying out lots of new activities to expand our learning and knowledge on oral health and the dentist.

**PLEASE REMEMBER TO BRING / KEEP A PAIR OF WELLIES AT THE NURSERY FOR REGULAR FOREST SCHOOL ACTIVITIES**

**QUESTION OF THE MONTH  
DO YOU AND YOUR FAMILY ATTEND A DENTIST?**

## Dates for the Diary:

**Thursday 9th September 2021**

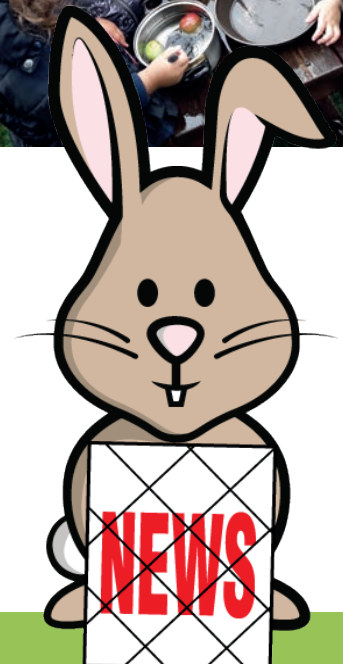

**NATIONAL TEDDY BEAR DAY**

Children can bring in their favourite teddy to join our teddy bear's picnic.

**Monday 13th September 2021**

**NATIONAL ROALD DAHL DAY**

Come dressed as your favourite book character.
