

EDINBURGH WAY

NEWS FLASH

SEPTEMBER 2021

LAMBS

The children have been exploring different senses using their whole body. The children have spent time playing in flour, shaving foam and jelly. The children have also been exploring risky play and taking part in different forest school activities and planting seeds to grow vegetables in the garden.

Holiday club

We welcomed lots of new children who have now become good friends, we have had lots of messy fun taking part in different experiments such as tie-dye clothes, making perfumes, bath bombs and slime.

FARMERS

The children have shown an interest in our similarities and differences, we explored how our appearances are different through stories and enjoyed updating our family photos as well as making family tree pictures.

QUESTION OF THE MONTH

Is your child registered at a dentist?
