NEWS FLASH

SEPTEMBER 2021

LAMBS

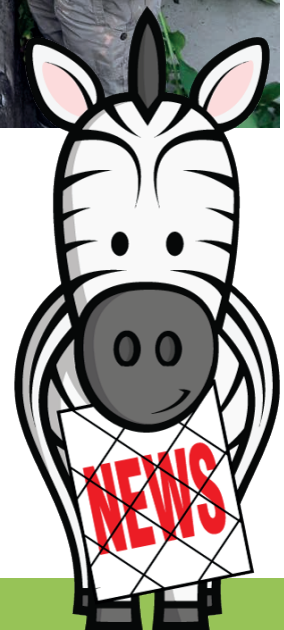

To support the children's physical development they have been taking part in lots of sensory and physical play. We have enjoyed weekly yoga and sensory classes. Our Nursery Cook Michelle is a trained sensory play coordinator and she has been carrying out weekly sessions with the children which has been lots of fun.

FARMERS

We recently planted potatoes and have enjoyed digging them up, the children asked to take them home to cook with their parents. We have continued to develop our digging area for the children to explore and we have learnt about healthy eating. We will now be adding a herb area to our digging patch and exploring different smells and tastes.
