

DERBY STREET

NEWS FLASH

OCTOBER 2021

LAMBS

The lambs enjoyed exploring transports. The children showed excitement when exploring the racetrack and moved the cars around, repeating their actions several times. We spoke about different sounds a car makes and encouraging children to make the sounds. To extend the learning, created roads marks on the floor and gave each child a pen marker and board to create their marks.

FARMERS

We have been learning about the change in season, we explored the changing leaves, the weather getting colder and daylight hours getting shorter. When we went outside, we noticed lots of leaves had already begun to fall of the tree, we decided to collect them and create a picture by sticking them on collages.

BOOK OF THE WEEK

To introduce the change of season, the children have enjoyed listening to the leaf man story and carried out lots of fun activities based around the book and the animals he sees while being blown away by the wind. The children talked about the changes we would see in our environment as we go into winter.

Over the next month we will be focusing on basic hygiene. We will be asking parent if they have joined a dentist and provided each child with a toothbrush and toothpaste. Teaching the children, the importance of brushing their teeth. Each week we will be sending home a weekend challenge for you to complete regarding hygiene.

Dates for the Diary:

WC 11th October 2021

GRANDPARENTS' DAY
