NEWS FLASH

OCTOBER 2021

LAMBS

We have enjoyed listening to the Hungry Caterpillar story. The children have received didn't fruits from the caterpillar which were left in our special fruit bowl. They have been excited to decide for themselves what they wanted to eat at snack and were always eager to see what had been left. We have made hungry caterpillar healthy fruit plates and painted our own caterpillars.

FARMERS

The children have enjoyed meeting their pet snails, which they have named Speedy and Shelby. The children enjoy feeding and holding them, developing their own sense of responsibility. The children are more than welcome to take them home over the weekend if you would like to please let us know.

BOOK OF THE WEEK:

To introduce the change of season, the children have enjoyed listening to the leaf man story and carried out lots of fun activities based around the book and the animals he sees while being blown away by the wind. The children talked about the changes we would see in our environment as we go into winter.

Over the next month we will be focusing on Mindfulness, we will be choosing a different element of being mindful such as happy and listening. Each week we will be sending home a weekend challenge for you to complete.

In November we will be developing our construction areas and developing loose parts play. Please collect sticks, logs and stones and bring them into nursery.

Dates for the Diary:
