

BURY COLLEGE

NEWS FLASH

NOVEMBER/DECEMBER 2021

**LAMBS:**

The children have really enjoyed learning all about the colour orange our colour of the month. We have experienced a range of activities such as leaf printing, carving pumpkins, and painting pictures and have enjoyed learning about Autumn, Halloween and bonfire night.

The children are looking forward to learning about Christmas and winter with a range of sensory activities! We are hoping to see lots of snow! So don't forget wellington boots, hats, scarves and gloves!

DUCKS:

The ducklings have enjoyed learning about Autumn, they have been talking about the weather changes and how this effects the trees and animals. We have been watching the squirrel who visits the garden each day with different food in his mouth wondering where he is taking it too. Whilst on our welly waddle we were able to collect different leaves from the park and see different animals and birds which we loved! The children have also been focussing on their independence skills, practicing putting on their own shoes, coats and some have started toilet training, everyone is doing so well!

We will now be looking at celebrating bonfire night and Christmas and the children have asked for our next colour of the month to be blue!

**FARMERS:**

The farmers have recently made a new mark making area which the children have really enjoyed exploring, we have been practicing writing familiar letters and our names. We are actively encouraging our children when they are proud of their work to ask an adult for the tablet and to take a photograph to share with their families at home.

The Farmers have been enjoying the outdoor area, they have taken part in a range of activities such as den building, playing in the mud kitchen and have begun creating their own ice cream shop as requested by them!

BIG thank you to everyone for helping our welly waddle be so successful, we will let you know a final figure as soon as we collect the final sponsor forms in! The children had a fantastic time across the week exploring the park and nursery/ college gardens! The RSPCA are very excited to accept the cheque and hope to meet some of the children over the next few weeks!

UPCOMING EVENTS:

As a company we understand it has been difficult for parents as they have been unable to enter the nursery setting, because of this we have decided to arrange open days on a Saturday morning for parents to come and see the setting and to ask staff any questions about the environment.

Our first open day will be Saturday 20th November 9-11am. Please let a member of staff know if you would like to attend.

Dates for the Diary:

19TH NOVEMBER 2021 – **CHILDREN IN NEED** – Wear yellow
