

DORSET DRIVE

NEWS FLASH

NOVEMBER & DECEMBER 2021

LOOK WHAT WE HAVE DONE...

We have been very busy this month getting busy with spooky creative activities for halloween. Both rooms have been exploring and using their senses with the pumpkins. We have looked at different coloured pumpkins and ones that are different in shape and sizes. We have looked inside the pumpkin's and been able to touch and smell it whilst also learning a new word 'Pulp'. Stacey our cook made us pumpkin soup for tea and the Duck's children made homebread to go with it! YUM!

Farmer's children have been researching in depth more about habitats and have been leaving conkers out for the squirrels that live in our woodlands. We have been videoing the squirrels and watching them take the conkers and dig and hide them in the woodlands for winter. The children have loved observing the squirrels movements.

The Farmer's have also been extending the roleplay opportunities in the room and have been adding real life clothing, shoes and bags as well as occupational dressing up. The children have been using their imagination, taking on different roles and extending their vocabulary.

Our Duckling's have recently enjoyed lots of play involving food and baking activities, the children made making their own bread for the setting by mixing, pouring and weighing out ingredients. The children have also been cutting up and playing with real fruit and vegetables everyday, using their senses, trial and error and encouraging independence skills.

SNAIL UPDATE

Becky and the children have continued to care for our snails Gerrard and Rita. The children each day have been cutting up vegetables and feeding them. They are now confident to pick them up out of the tank alongside Becky.

Dates for the Diary:

13TH NOVEMBER 2021 – WORLD KINDNESS DAY - We will be reading our Grateful book introducing the concepts of kindness and being grateful to others.
